August 5th

Latest updated plans from U.U. posted on the website and shared on Waddington village watch. (473 views)

August 10th

L.C.C. highways and L.C.C councillor invited to UU meeting

September 2nd

Meeting date arranged for local PC's. L.C.C., Highways and U.U. planning and engineering leads - Tues 6th October in W. Bradford village hall

max 30 people

September 4th

6th October meeting postponed as restrictions allow only 6 people.

September 7th

WPC meeting

Thanks to John Haslewood a powerpoint that he has produced will be shared with U.U. as it clearly shows many issues with the original routes.

It is decided to keep the original date of 6th October for a zoom update from U.U.

6th October

HARP zoom

In summary still a work in progress and still at consultation stage. A trial drive through was planned for 14th October. Planning estimated date moved forward to begin April 2021. No other changes or developments since the initial parish consultation in March. Any suggestions of new bridge or roads were dismissed by U.U.

October 12th

WPC meeting (zoom)

CB asked to chase Chris Tighe for any feedback re the trial run.

November 9th

WPC meeting (zoom)

Chris T. Informs parish council that the trial has been delayed until 11th November. CT also asks for a meeting to be arranged for an update with U.U. after drive through trial and to discuss the feasibility of a route which would take construction traffic off the main roads.

November 19th

WPC confidential meeting with U.U.

November 26th

Ribble Valley U.U. meeting

DT represented WPC

Planning date moved forward again
